LAVAL AND THE FOUR VALIOUS SWORDS

Laval and Cragger are playing a game. They are meant to be off fighting the other Tribes, but this is much more Fun!

Nearly got you!

Nah! You'll never get me!

Hey, that's not how the game works. You're supposed to run away, not stand around staring into space.

Why have we never noticed this cave before?

I bet we find a huge stash of treasure! Or discover a new Animal Tribe!

No, thanks. We've had quite enough of those recently.

Deep inside the cave, Laval and Cragger come across a strange wall painting.

Looks like a giant Scorpion Fighting against Four Lion warriors.

What's that?

Those are the Four black Valious Swords which have been in the possession of the Royal Lion Family For centuries!

But the Scorpions have only existed since you threw the CHI into the Gorge of Eternal Depth, so how can there be cave paintings of them?

Maybe the paintings show the future and not the past?

Eris! We have to talk to you urgently. We Found a...

There's no time, Laval. The Rhino Legend Beast has disappeared.

And you have a visitor from Chima.

Hello, Laval.

Lennox!

Later, Lennox shows the heroes a picture from a book of the Eagles. The picture looks just like the one from the cave painting.

According to a prophecy, a giant Scorpion will destroy Chima. Only the Four black Valious Swords can stop the monster. I have already found three of the swords. But now Lavertus won't help me find the Fourth one.

I turned my back on Chima a long time ago... I won't help!

Let him sleep. He'll have changed his mind in the morning.

Lavertus is so stubborn.

The next day...

Lavertus still doesn't want to help.

I am going to return to Chima. I hope we can defeat the giant Scorpion with just three swords.

What will you do now?

PPFFT...

Just then, the Scorpions attack!

Rumble!
Crawl!

Holy CHI!
Where did they come from?

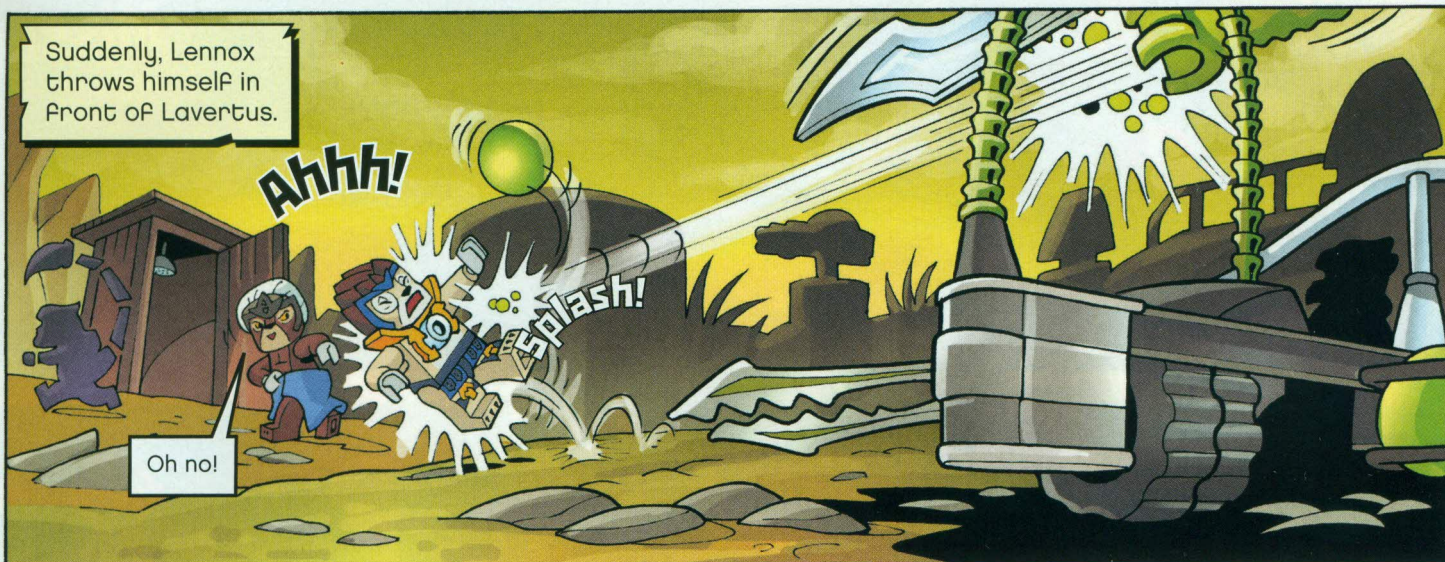

I got here just in time.

Keep an eye on Scorm. He's planning something.

I would if they weren't blocking my view all the time!

Lavertus has to defend himself, too. But he's only got a brush...

Suddenly, Lennox throws himself in front of Lavertus.

Ahhh!

Splash!

Without you I couldn't have dodged the blast. Thank you.

You have reminded me what it means to be a Lion. Take my Valious Sword. I had it all the time. Do this for Chima!

Thanks, Lavertus! I'll bring it back as soon as we've defeated the Scorpions.

Eris and Rogon head off in search of the Rhino Legend Beast...

COMIC

PART 2 DANGEROUS JOURNEY!

Rogon!
Why don't we go looking for the Rhino Legend Beast together?

Oh, great!

Sure! The more the merrier!

Eris is not very happy about Rinona's offer. She wanted to have an adventure alone with Rogon...

Should I take over the wheel?

Eris sighs...

I'm at the wheel.

Sorry Eris, but only Rhinos can drive a Rock Flinger. And, well, you're an Eagle.

The warriors have not gone far when they have to stop in the middle of the Outlands because the Rock Flinger has a flat tyre.

I think we're being watched.

Why don't you stop being such a scaredy-cat and help us instead?

Suddenly, the Friends are surrounded by the Scorpion tribe.

Oh no!

Take your dirty pincers off me!

Let them go or I'm going to get really mad!

You're really strong. We should take you to the others.

Meanwhile, Eris notices a young Scorpion. He doesn't seem to be quite as bad as the other Scorpions.

What are you waiting for? Get on with it, tie them up!

You don't have to do this if you don't want to.

Eris realises that she must have been wrong about the young Scorpion after all.

Walk on! Even my gran can walk faster!

The Scorpions throw Eris and Rinona into a damp dungeon. But where is Rogon?

I can't hold you much longer: I've hurt my hand.

Just one more moment...

What can you see?

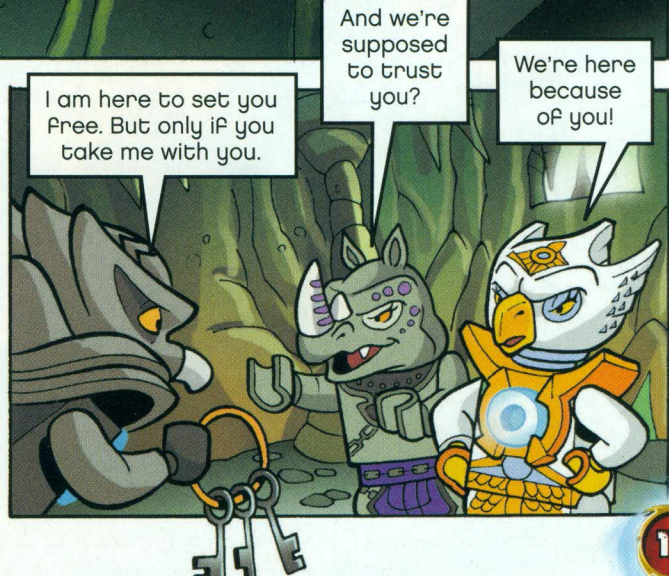

Rogon and the other Rhinos are being forced to work on a huge Scorpion statue. They've also got the Rhino Legend Beast.

Faster!

Suddenly, the young Scorpion appears...

I am here to set you free. But only if you take me with you.

And we're supposed to trust you?

We're here because of you!

Eris and Rinona need help to save the Rhinos. They make a deal with the young Scorpion.

The assault vehicles have all gone.

We're taking the Rock Flinger!

My hand still hurts. Just this once, you can drive, Eris.

Eris skillfully steers the Rock Flinger through a narrow mountain pass...

Wow. If I didn't know any better, I'd take you for a Rhino. Rogon was right. You really are a very special girl!

Suddenly, the others appear and notice the young Scorpion...

Can you help me fix this Flinger?

MISSING PARTS!

Oh no, Rogon's Rock Flinger has broken down. Can you help Eris to put the **missing parts** back on? Use a pencil to join the missing parts to their correct positions!

SECRET WAY TO THE SCORPIONS' CAVE!

Well done! Now the friends have to find their way deep **inside the cave**. Can you help them? Use the colours and arrows below to work out the correct path. For example, starting on yellow means you have to go up to the left...

Scorm!

Er, what's happening?

HERO FOR ONE DAY

Not every Scorpion likes terrorising the Tribes of Chima. There's at least one Scorpion who would much rather be a hero like Laval and his Friends.

Take that, vermin!

The Scorpion boy really doesn't want to be bad, so he sometimes pretends that he's not Feeling well. Unfortunately, it doesn't always work...

Tomorrow you will do your first bad deed. And no arguments, understood?

sniffle
cough

There's nothing wrong with you.

Oh no!

The next morning, Scorm orders the young Scorpion to tie up Eris, Rinona and Rogon.

Good. I am very proud of you.

The Scorpion boy feels bad about it all day...

I shouldn't have done that!

So he decides to make up for his mistake by freeing Eris and Rinona from their dungeon.

Hi there!

The young Scorpion boy makes another decision – he doesn't want to live with his Tribe and wants to join Chima's heroes.

Why have you brought a Scorpion here?

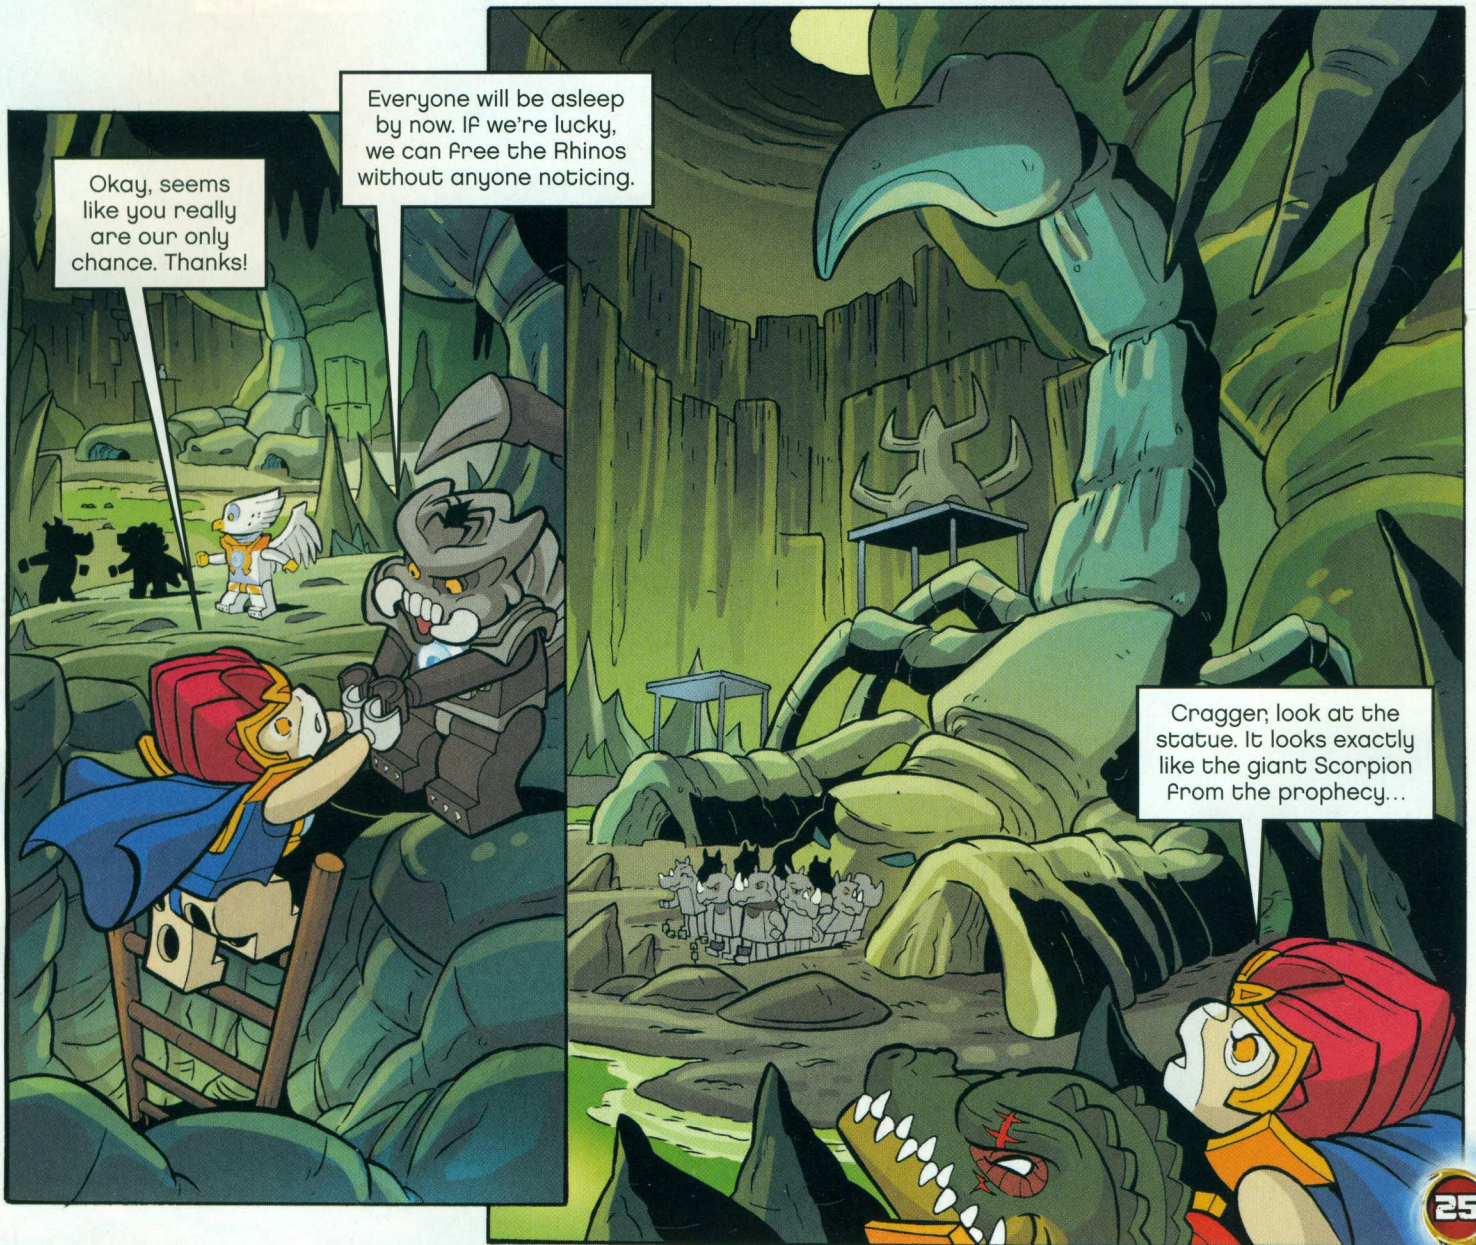

Just because he's a Scorpion, doesn't mean he has to be evil. Everyone deserves a chance.

The Scorpions kidnapped my Father, or have you forgotten that?

I'm not so sure ...

Let me prove that I'm on your side. I know a secret passage to the Scorpion Cave...

Okay, seems like you really are our only chance. Thanks!

Everyone will be asleep by now. IF we're lucky, we can free the Rhinos without anyone noticing.

Cragger, look at the statue. It looks exactly like the giant Scorpion from the prophecy...

Where is the Rhino Legend Beast?

They must have taken it away. Again.

But not every Scorpion is lying in bed dreaming about bad things...

You have joined Forces with the enemy?

Clang!

Let us know if you need any help.

Defeated Scorpions are our speciality.

What's happening?

I ran away because I want to be a good Scorpion. All this kidnapping and imprisoning isn't my idea of Fun!

You don't have to be evil if you don't want to. I'm sure we'll find something else for you to do. Just stay with us!

I'm sorry, but I think I'll stay with my Tribe after all.

We understand. But remember, you can come and visit us any time if things get too much for you with the Scorpions.

SPIDER VISION!

PUZZLE

With his **eight spider eyes**, Sparratus sees the world quite differently to all the other Animals in Chima. But what about you? Find the following patterns hidden horizontally, vertically and diagonally in the grid below.

PART 4

CLASH OF THE GIANTS

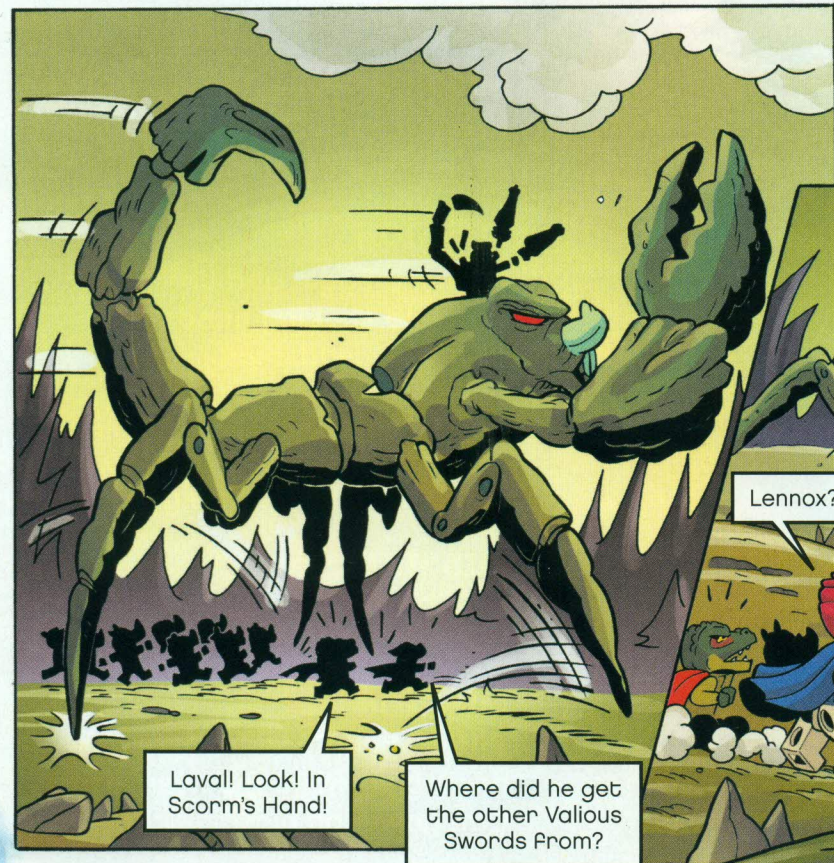

After their successful rescue mission, Laval and the other heroes are accompanying the Rhinos to Chima.

I bet the Scorpions are planning to attack Chima! Luckily, Lennox gave me the black Valious...

Yeah, that's awesome. But how are they supposed to attack Chima anyway?

Look out! Run!

Crack!

Laval! Look! In Scorm's Hand!

Where did he get the other Valious Swords From?

Lennox?

I can explain everything. Let's meet in the quarry!

Soon afterwards,
in the Rhino quarry.

The Scorpions captured King LaGravis
and demanded the Four Valious Swords in
exchange for him. But they did not release
your Father. I have made a terrible mistake.
Fortunately, I only had three of the swords
because I gave you yours earlier.

Without
the swords,
Chima will be
destroyed,
right?

That's what the
prophecy says.

Laval? We
want to show
you something.

Dadaaa!

A giant Rhino to
fight against the
giant Scorpion!

It's certainly big
enough. But how
do we power it?

Suddenly, Shadowwind appears in the quarry.

I may have
a solution!

Shadowwind!

Two golden CHI orbs!
They are sure to
power the giant Rhino.

Just in
time!

A great battle is raging at the gates of the Lion Temple. Gorzan, Worriz, Razar, Bladvic and the Legend Beasts have come to help Chima, but the giant Scorpion is too strong ...

Now it's your turn!

Oh no!

I never thought I would say this to you, but I love your bad smell!

Yuuuck!

PPFFFT ...

Wouldn't be so sure of that.

Yeah! We got another one!

No problem. I've still got two.

Rinona has rammed the King of Scorpions!

NOOOOO!

Crash!

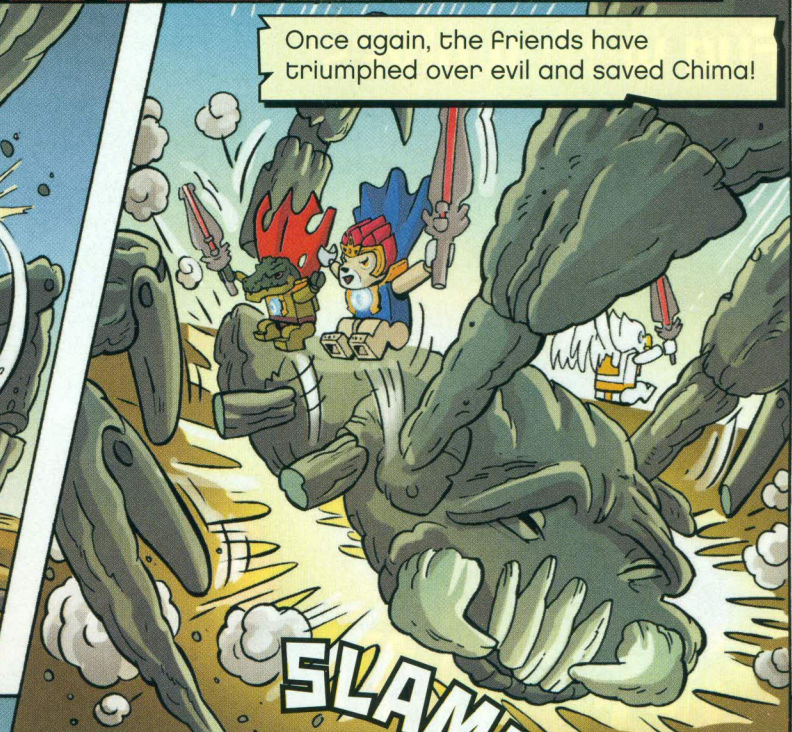

Come on!

Laval and the other warriors act quickly as the giant Rhino is attacked...

The Four Valious Swords slice through the stone easily!

Once again, the Friends have triumphed over evil and saved Chima!

The battle is over, but there is still a surprise waiting for Laval.

Dad! How did you manage to escape?

A young Scorpion smuggled me and the Rhino Legend Beast out of the cave. I owe my life to him.

And I know exactly who that was...
